

A. J. COX & CO.
General Book Manufacturers

THREE MEDALS awarded for Best Work at the Cincinnati Industrial Exposition of 1879.

Clark and Adams Sts., CHICAGO.

Extract from Report of the Board of Commissioners Seventh Cincinnati Industrial Exposition, 1879.

"ENTRY No. 583. A. J. Cox & Co., Chicago, Ill., Publishers Book Binding in cloth. We find the samples exhibited to be of the highest order of merit. We would recommend the granting of a premium."

"ENTRY No. 584. A. J. Cox & Co., Chicago, Ill., Job Book Binding in full morocco. The samples submitted by the Messrs. Cox & Co. are first-class in style and workmanship, and compare more than favorably with the best London bindings, and are much superior to anything in this line in competition with them; and we recommend the granting of a premium to them."

"ENTRY No. 585. A. J. Cox & Co., Chicago, Ill., Job Book Binding in half morocco. The samples submitted, like the preceding entry (584), are first-class in style and workmanship, and would be creditable to any binder, European or American, and we recommend the granting of a premium to them."

See page 112 for Street Changes.

STREET AND AVENUE GUIDE.

EXPLANATORY.

The City comprises Three Grand Divisions, known as the North, South, and West Divisions. State street is the main artery to the South Division. North Clark street is the main artery to the North Division. Madison, Randolph, and Lake streets are the main arteries to the West Division. On any given street, the relative location of a particular place or house is got by running down the column of figures, which are its numbers at the several crossings of the streets that intersect it. For example, to find 44 State, it will be seen that 30 is on the corner of Lake, and 66 on the corner of Randolph; hence, 44 is between these two streets. Where no numbers are given, the corners, and often the blocks are vacant, or occupied by a house or manufactory not numbered.

By a late act of the Common Council, all streets in the South Division, running north and south, including those running diagonally, are re-numbered south of Twelfth St., on the following system: The first number on the west side of the street after crossing Twelfth is 1200, and on the east side 1201; and in like manner after crossing Thirteenth, the numbers are 1300 and 1301, the even numbers being always on the west side of the street. The new numbers were put up on these streets too late to insert in the Street Guide of 1880.
