**GEO. A. SMITH,**  
COMMISSION MERCHANT,

AND MANUFACTURER OF THE

Stevens Original (PATENT) Egg Case.

260 S. Water Street, CHICAGO.

I will furnish the trade Stevens' Original 30 dozen Patent Egg Case, also Fillers and Cases with My Lock, which is far superior to the old lock (as the ends do not break off in handling in and out of the case, as the ends are solid; nor the tray fall to pieces, as the old ones did), at less than one-half the price formerly charged.

I also furnish fillers knocked down as well as put up. In this way they are cheaper, the freight is less also, as they are more compact.

They are Cheaper than Barrels and Straw.
