DR. J. G. TRINE'S

INSTITUTE OF THE

MOVEMENT-CURE,
 Comprising Localized and Special, Passive and Resistive (Swedish) Movements,
Manual and Mechanical Massage,

Including a complete outfit of Dr. Geo. H. Taylor's Celebrated Vibrating, Rubbing and Kneading
 Apparatus, operated by steam power, and with most agreeable and remarkable effect.

105 & 107 STATE ST. Entrance to Elevator, 103 STATE ST. CHICAGO, ILL.

The Movement Cure constitutes a Remedial Treatment for Chronic Affections and Weaknesses.

The most commodious, best fitted, most successful, oldest and only Movement Cure in the West,
 where the full advantages of the treatment can be obtained. Established in 1867.

Hours for Consultation and Treatment: Ladies, 9 A. M. to 12 M.; Gentlemen, 2 to 6 P. M.

The Mechanical Apparatus supplies operations otherwise impossible, and with a delicacy of touch
 otherwise unattainable. Its application is entirely under the control of the patient and suits his feelings.

In addition to the invaluable resources of the "Movement Cure," we employ, as a case may require,
 The Mollere Thermo-Electro Baths, the most Elegant and Best of Modern Baths.

Dr. Trine has had an experience of twenty years' practice, the past seventeen of which have been
 spent in Chicago, and his patrons are among the most refined, intelligent and influential of her citizens.
